Seats Cover

Spruce Up Your Beetle With A Custom Interior Your Beetle was made for driving, but lots of “seat time” may have taken its toll on your stock interior. Now you can customize the look and feel of your Beetle with Performance Choices’ leather or vinyl seat covers and door panels. We use the finest automotive grade leather and vinyl available and each piece is hand made in the USA.These cool patterns were designed to produce that OEM fit that every Beetle deserves. Available in solid colors or go all out with a 2-tone combination. Use the color chart below to design the perfect color combination for your car.

Autobodyparts2000.com deals exclusively in used, rebuilt and new replacement parts, for early and late model cars (1950 to present date.)
